

## Factsheet – Fusion Mortgagebot Essential

# Growing with you...on the go

Our best-in-class mobile technology positions you to enhance your lending profitability anywhere

Fusion Mortgagebot Essential helps you boost efficiency throughout your origination processes, reduce costs, improve service, streamline compliance and close more loans quicker.

### Enhance efficiency and service

The solution allows users to complete an application in minutes; get real-time loan status, email notifications and data insights – from anywhere they have internet access.

Supported by our dedicated team of professionals with rich technical knowledge and extensive lending experience, we can help deliver a rapid, proven implementation along with outstanding service.

Fusion Mortgagebot Essential is an expandable solution that can help you grow your business and evolve with you. As loan volumes increase and your requirements change, we can support you with additional features from our Fusion Mortgagebot family.

**Connected.**  
**Customizable.**  
**Compliant.**

The solution that serves you.....

**Connected.** Completed applications can flow directly from Fusion Mortgagebot Essential into Fusion MortgagebotLOS for processing, closing, imaging and secondary marketing or into third-party loan origination systems. Integrations also exist for Fusion LaserPro.

**Customizable.** With a customizable platform for your brand, you can meet rising consumer expectations for effective and engaging online self-serve options.

**Compliant.** Aggressively maintained and enhanced to ensure the platform complies with all regulatory changes.

## Key features

Make loan officers more productive and mobile than ever

Meet rising consumer demand for online self-serve options

Maximize every branch opportunity even if a loan officer isn't available

Sharpen your competitive edge now and succeed into the future

Replace outdated, manual processes to save time and money

Streamline the application process

Remove compliance complexity and bottlenecks to drive efficiency and profitability

### About Finastra

Finastra is building an open platform that accelerates collaboration and innovation in financial services, creating better experiences for people, businesses and communities. Supported by the broadest and deepest portfolio of financial services software, Finastra delivers this vitally important technology to financial institutions of all sizes across the globe, including 90 of the world's top100 banks. Our open architecture approach brings together a number of partners and innovators. Together we are leading the way in which applications are written, deployed and consumed in financial services to evolve with the changing needs of customers.
